**PETITION FOR RULEMAKING**

To the Chief, Allocations Branch:

Linda A. Davidson ("Petitioner") respectfully requests the Commission initiate a rulemaking proceeding for the purpose of considering amending Section 73.202(b) of the Commission's rules. In support whereof the following is stated:

1. Petitioner proposes the Commission allot FM channel 229A to Grayville, Illinois as its first local FM service. This would require amending Section 73.202(b) of the Commission's rules as follows:

<u>Community</u>	<u>Present</u>	<u>Proposed</u>
Grayville, IL	-	229A

2. Grayville is an incorporated city located in Southern Illinois. It is located in White County. In 2000, the U.S. Census Bureau estimated that Grayville had a population of 1,725 persons.

3. FM channel 229A can be assigned to Grayville in full compliance with the Commission's minimum distance separation requirements. This is illustrated the attached spacing study. Coordinates used are N 38:21:56, W 88:03:38 and are located approximately 12 Km NW of Grayville. This site restriction is necessary to prevent short spacings with station WJPS-FM, Chandler, IN and WKTG, Madisonville, KY. Petitioner is confident she can find a suitable transmitter site if channel 229A is allotted as proposed.

4. Petitioner, or an entity with which she is affiliated, intends to apply for a construction permit to activate FM channel 229A if it is allotted to Grayville as proposed. If her application is granted, she shall promptly construct and operate the proposed station.

6. Petitioner hereby verifies and affirms that the statements given in this petition for rulemaking are hers, and are accurate to the best of her knowledge.

Respectfully submitted,

*Linda A. Davidson*
